

First things first... kudos to everyone who had to deal with rain and slick roads today. You all are badass and it's incredible to witness and even more fun to cheer you on!

**A few important notes:**

- Series leaders must wear their respective leaders jerseys per the [Tech Guide](#).
- For P/1/2 Women and P/1/2 Men: Those who are fortunate enough to have earned a call up are asked to remain in the back of the field until they are called up. All call ups will be posted during warm up to facilitate a smooth process. Once called up, you may navigate up the side of the field (where it has been marked) to avoid chaos and confusion.

Let's be honest... ya'll should be in bed. If you aren't, here's some late night notes (or early morning if you're getting that rest in).

Tomorrow we move to Winfield for day 3 of Intelli, and our second stop on the path to the Triple Crown.

- Reminder to please refer to the map when parking (we've attached it for easy reference). Do not park on the side streets adjacent to the race course. This is for residents only!
- 9 Food Trucks will be out offering a wide variety of delicious choices, beer & hard seltzer to wash it down.
- We'll have an expanded Kidz Zone with a 52' inflatable obstacle course, face painter, balloon artist, & more. Bring the kids, or invite your kid-at-heart friends.
