

What a fantastic day in Brookfield!

Let's start off by first saying great job to all who raced Brookfield - that course is challenging (especially for those who had to brave the rain) and the weather was definitely uncomfortably warm.

**The following penalties were assessed:**

None

**Protests:**

Please do NOT reply to this email. Protests concerning the official results should be addressed to the Chief Judge, **Jared Ferber**, either by email (click here: [2023intelliresults](#)) or see him in person on the Finishing stage.

**A note from the Race Director on weather:**

The next two days of racing will be warm and humid. Please bring your own ice, and be aware of your health and well being while racing.

**Northbrook Info:**

- Parking available at the Metra lot, overflow event parking available two blocks down at 1657 Shermer (the old Grainger building).
- There's plenty of space to rest before and after your race in the Village Green Park — this is especially important given the projected temperature. Please feel free to use the ample shade in Village Green to stay cool before and after your race.
- Take time to explore the many shops and dining options in downtown Northbrook!
- Riders, please use bike racks and refrain from leaving bikes propped on storefront windows.

See you tomorrow!
